

Math 195 Student Survey

What is your email address?

What should I call you? What name would you prefer I use?

What previous mathematics classes have you taken?

Why are you taking this course?

What do you want to get out of this course?

Is there a particular topic you absolutely want to make sure we cover (e.g., Lagrange multipliers)?

What subjects (besides mathematics) are you interested in?

Anything else I should know?
