

Textbook

This lecture discusses section 10 of the textbook.

Homework

The homework is due Monday, November 15, 2010.

From Section 10 of the textbook, do exercises 12, 13, 15, and 16.

Write up this homework nicely, as you will be submitting it to the anonymous peer review system.

How do you prove that two sets are the same?

De Morgan's Laws for Sets

Distributivity
