

Recitation Sessions

In the recitation session¹ we'll discuss the questions you have about your previous homework, about your future homework, or about mathematics in general. It's a time to dig deeper into the material.

You are free to attend the recitation sessions offered by the other sections of Math 153. For your convenience, I've listed them below:

Leader	Time	Place
Pierre Py	Mondays 5:30–6:30P.M.	Eckhart 203
Liz Beazley	Tuesdays 5:00–6:00P.M.	Eckhart 308
Ed Wallace	Tuesdays 6:00–7:00P.M.	Eckhart 308
Jim Fowler	Thursdays 6:00–7:00P.M.	Eckhart 312
Saravanan Thiyagarajan	Thursdays 6:00–7:00P.M.	Eckhart 308
Dubi Kelmer	Thursdays 5:00–6:00P.M.	Ryerson 358

¹Sometimes recitation is called a “problem session” or “solution session” or “section”
